• **LEGACY LEAFLET** •

**IT'S TIME TO BREATHE EASY  
NOW AND IN THE FUTURE  
YOU CAN BREATHE EASY AND  
HELP OTHERS TO DO THE SAME**

**IT'S TIME TO MAKE  
YOUR MARK**

## **YOU CAN MAKE A DIFFERENCE**

If we can offer just a small percentage more help to support all the great therapies on offer at the Swanley Therapy Centre (SUMS), what could that be? How could we offer more help? How can we make a difference to the lives of hundreds of people in the future who will want to take advantage of the tremendous benefits pure oxygen brings to their health and well-being, as well as all the other life-enhancing therapies, such as massage, chiropody, reflexology, physiotherapy and exercise, not to mention the good company to be enjoyed over a cup of coffee!

## **HERE'S ONE SURE WAY**

If you know, when the time comes, that you no longer need your worldly wealth, and a small percentage of it has been safely promised to the Centre, then you also know that you CAN and you WILL make a difference. We all love the Centre now. Let's make sure others can love it in the future.

## **TIDY UP THE LOOSE ENDS**

Now you have an opportunity to put your life in order; review your position; count your blessings. So make a tally of your assets. Think of your family, friends and charities. Make it that much easier for those who follow you and leave a legacy of care, not confusion. You can make a huge difference to all those close to you and to many whom you will never know.

## **AN INVITATION**

We invite you to complete the attached form and return it to Swanley Therapy Centre. We can then send you some helpful notes on how to include the Centre in the next update of your Will or to make a codicil. Thank you for considering such a beneficial way to support Swanley's wonderful life-saving facility.
